Week 6:

LEADERSHIP: RIGHT RESPONSE TO CORRECTION

MEMORY VERSE:

Proverbs 10:17, "People who accept discipline are on the pathway to life, but those who ignore correction will go astray." (NLT)

TAKE HOME POINT:

Whoever learns from correction is wise.

2. BIBLE TIME

READ:

- Proverbs 10:17
- Proverbs 3:11-12

MAIN POINT:

The Bible says that God corrects those that He loves. Our parents and teachers do the same thing; they correct us because they love us and care about us. The Bible also says that those who are wise accept discipline or correction. Good leaders are those who don't get upset and pout when they are corrected, they take the correction with a good attitude.

DISCUSS:

- What are some things kids get corrected for?
- What type of attitude should you have?
- If you don't, what do you have to do to change?

QUESTIONS TO ASK:

1. Do you like being corrected or told you have done something wrong? Why or why not?
2. What do you not like about being corrected?
3. What do you think you can learn from correction?
4. Why do you think the Bible says it is good for us to accept discipline or correction?

3. FAMILY TIME

YOU'VE BEEN BUZZED

MAIN POINT:

To be a leader you must be committed.

WHAT YOU NEED:

The game Taboo or Catch Phrase and snacks

WHAT YOU DO:

- Gather the family for "Family Game Night".
- Play the game Taboo or Catch Phrase.
- The goal of each game is to get your team to guess a word without using particular words that describe the word you want them to guess.
- If someone uses one of the words that they are not supposed to, you – they get buzzed.

- Play a couple of rounds of the game and see who gets buzzed the most.

DISCUSS:

- After playing the game talk about what it's like to be buzzed. In life there will be times when we make mistakes or do something wrong; times when we get "buzzed" by our parents, teachers or boss.
- We need to remember that it is important to have a good attitude when we are corrected.
- Taking correction well, by not getting defensive or upset, is one way we can learn and become better leaders.
- Next time you get "buzzed", don't get mad, be glad that you learned something new!
