WEEK 05

FAITH:

HOW DO I GET FAITH?

MEMORY VERSE:

Romans 10:17, "So then faith cometh by hearing, and hearing by the Word of God." (KJV)

BOTTOM LINE:

Faith comes when you listen to the preaching of the Word of God.

2. BIBLE TIME

READ:

- Romans 10:14-15

MAIN POINT:

Without faith it is impossible to please God. God has given everyone a measure of faith. What will you do with it? You can grow your faith or allow your faith to become weak. To grow your faith it is important to hear God's Word preached. When you do, your faith becomes strong.

DISCUSS:

- Why is it important to hear preachers preach God's Word?
- Share with your family a message that you heard that impacted you in a powerful way.

QUESTIONS TO ASK:

1. Who has faith? (God has given everyone a measure of faith)
2. We don't have any control over our faith - whether it is strong or weak? (we can grow our faith)
3. How do you grow your faith? (hear God's Word)

3. FAMILY TIME

BUILDING YOUR FAITH

MAIN POINT:

Faith comes by hearing and hearing, not having heard.

WHAT YOU NEED:

- A bottle of children's vitamins (like Flintstone's)

WHAT YOU DO:

- Have everyone take their daily vitamin.
- Read what is in the vitamin and why you take them.
- Read the directions for taking the vitamins.

DISCUSS:

- How do the vitamins work?
- They work by taking them every day. Not just every once in a while.
- That is how we grow our faith.
- When we hear God's Word preached weekly, our faith will grow.
- We have to be consistent.
- It isn't just hearing a sermon one time.
- But it is hearing God's Word regularly.
