## 2. BIBLE TIME

---

### READ:

- James 1:22
- Mark 11:24

### MAIN POINT:

*When you pray the prayer of faith you: Pray the desire and not the problem, believe you receive when you pray and then thank God for the answer. We do not have to keep asking Him for the answer. We pray and believe we receive. He will answer our prayer.*

### DISCUSS:

- Sometimes people think that if you ask God for something over and over that He will give it to you.
- Talk about how you may have seen a child in a supermarket, at the check-out begging and begging his mom for a piece of candy and she finally gives in.
- That is not how God is. We cannot wear Him down to get our answer.

### QUESTIONS TO ASK:

1. If we don't keep asking God over and over to get our answer what do we do? (we pray, and believe, and we thank Him for the answer)
2. How many times do you thank Him? (whenever you think of it)

## 3. FAMILY TIME

### I BELIEVE NOW & SEE LATER

#### MAIN POINT:

*Believing comes before seeing.*

#### WHAT YOU NEED:

- A clock and a calendar.

#### WHAT YOU DO:

- Read Mark 11:24.

#### DISCUSS:

- This verse tells us when we are to believe we receive our answer in prayer.
- Hold up the clock - right now.
- Have you heard someone say, "I won't believe it till I see it?" That is backwards. We believe when we pray.
- Now is the time to believe.

- Hold up the calendar.
- When will we get it? In the future.
- We do our part by praying and believing and God will do His part in bringing us our answer.

#### SPIRITUAL EXERCISE:

- Hold up the clock.
- This is how we can pray:

Father,  
Your Word says I am to believe I receive when I pray. So I believe I receive my \_\_\_\_\_ right now at 11 am.  
And I know that I shall have it, in Jesus' Name.  
Thank you, Father

So, use the clock and the calendar to mark your Faith Victories down.
